

Any Canberran who is significantly and adversely impacted by the current lockdown and is unable to feed their family is encouraged to call 1800 43 11 33.

Callers will be linked with a VolunteeringACT staff member who will place a shopping order on their behalf and members of the SES will then collect the order and deliver it to them.

The SES are unable to enter a person's home, so the groceries will be left on the doorstep after a knock at the door.
